TSE/BSE DECLARATION

Product Name: DEHYDROEPIANDROSTERONE (DHEA)

We, Jiangsu Jiaerke Pharmaceuticals Group Corp., Ltd, hereby declare that the drug substance mentioned above is not of animal origin, but produced exclusively through chemical organic synthesis. None of the raw materials and solvents used in our manufacturing process are of animal origin. In addition we declare that the equipment used during the manufacturing of Dehydroepiandrosterone (DHEA) is dedicated to chemical production.

Due to the fact that we do not use animal derived substances in the manufacturing of Dehydroepiandrosterone (DHEA), we can exclude that TSE/BSE contaminated material is present in our drug substance.

Yours faithfully,

Mr. Wei Rufeng

Quality Director

Jiangsu Jiaerke Pharmaceuticals Group Corp., Ltd.
