TO WHOM IT MAY CONCERN

We, herewith, confirm that for the manufacture of our products including Pyrantel Pamoate do not use any intermediates and/or auxiliary agents which are of animal origin and the material will comply with the BSE/ TSE Guideline 75/ 318/ EWG and the EC Decision 97/ 534/ EC.

Likewise, we confirm that:

1. Our product does not contain any animal derived material.
2. Our product does not contain any material derived from Belgian eggs, poultry, beef, pork or milk neither from animal fed from Belgian food.
3. Our product does not contain any genetically modified material.

Yours sincerely

Maria del Carmen Ocampo
